ENGINEERING YOUR SUCCESS.

WARNING – USER RESPONSIBILITY

FAILURE OR IMPROPER SELECTION OR IMPROPER USE OF THE PRODUCTS DESCRIBED HEREIN OR RELATED ITEMS CAN CAUSE DEATH, PERSONAL INJURY AND PROPERTY DAMAGE.

- This document and other information from Parker-Hannifin Corporation, its subsidiaries and authorized distributors provide product or system options for further investigation by users having technical expertise.
- The user, through its own analysis and testing, is solely responsible for making the final selection of the system and components and assuring that all performance, endurance, maintenance, safety and warning requirements of the application are met. The user must analyze all aspects of the application, follow applicable industry standards, and follow the information concerning the product in the current product catalog and in any other materials provided from Parker or its subsidiaries or authorized distributors.
- To the extent that Parker or its subsidiaries or authorized distributors provide component or system options based upon data or specifications provided by the user, the user is responsible for determining that such data and specifications are suitable and sufficient for all applications and reasonably foreseeable uses of the components or systems.

OFFER OF SALE

The items described in this document are hereby offered for sale by Parker-Hannifin Corporation, its subsidiaries or its authorized distributors. This offer and its acceptance are governed by the provisions stated in the detailed "Offer of Sale" elsewhere in this document or available at www.parker.com/hydraulicvalve.

SAFETY GUIDE

For safety information, see Safety Guide SG HY14-1000 at www.parker.com/safety or call 1-800-CParker.

Pulsar® Stackable Valves

Valve Assemblies for VP/VPO/VPL Series Valve Stack

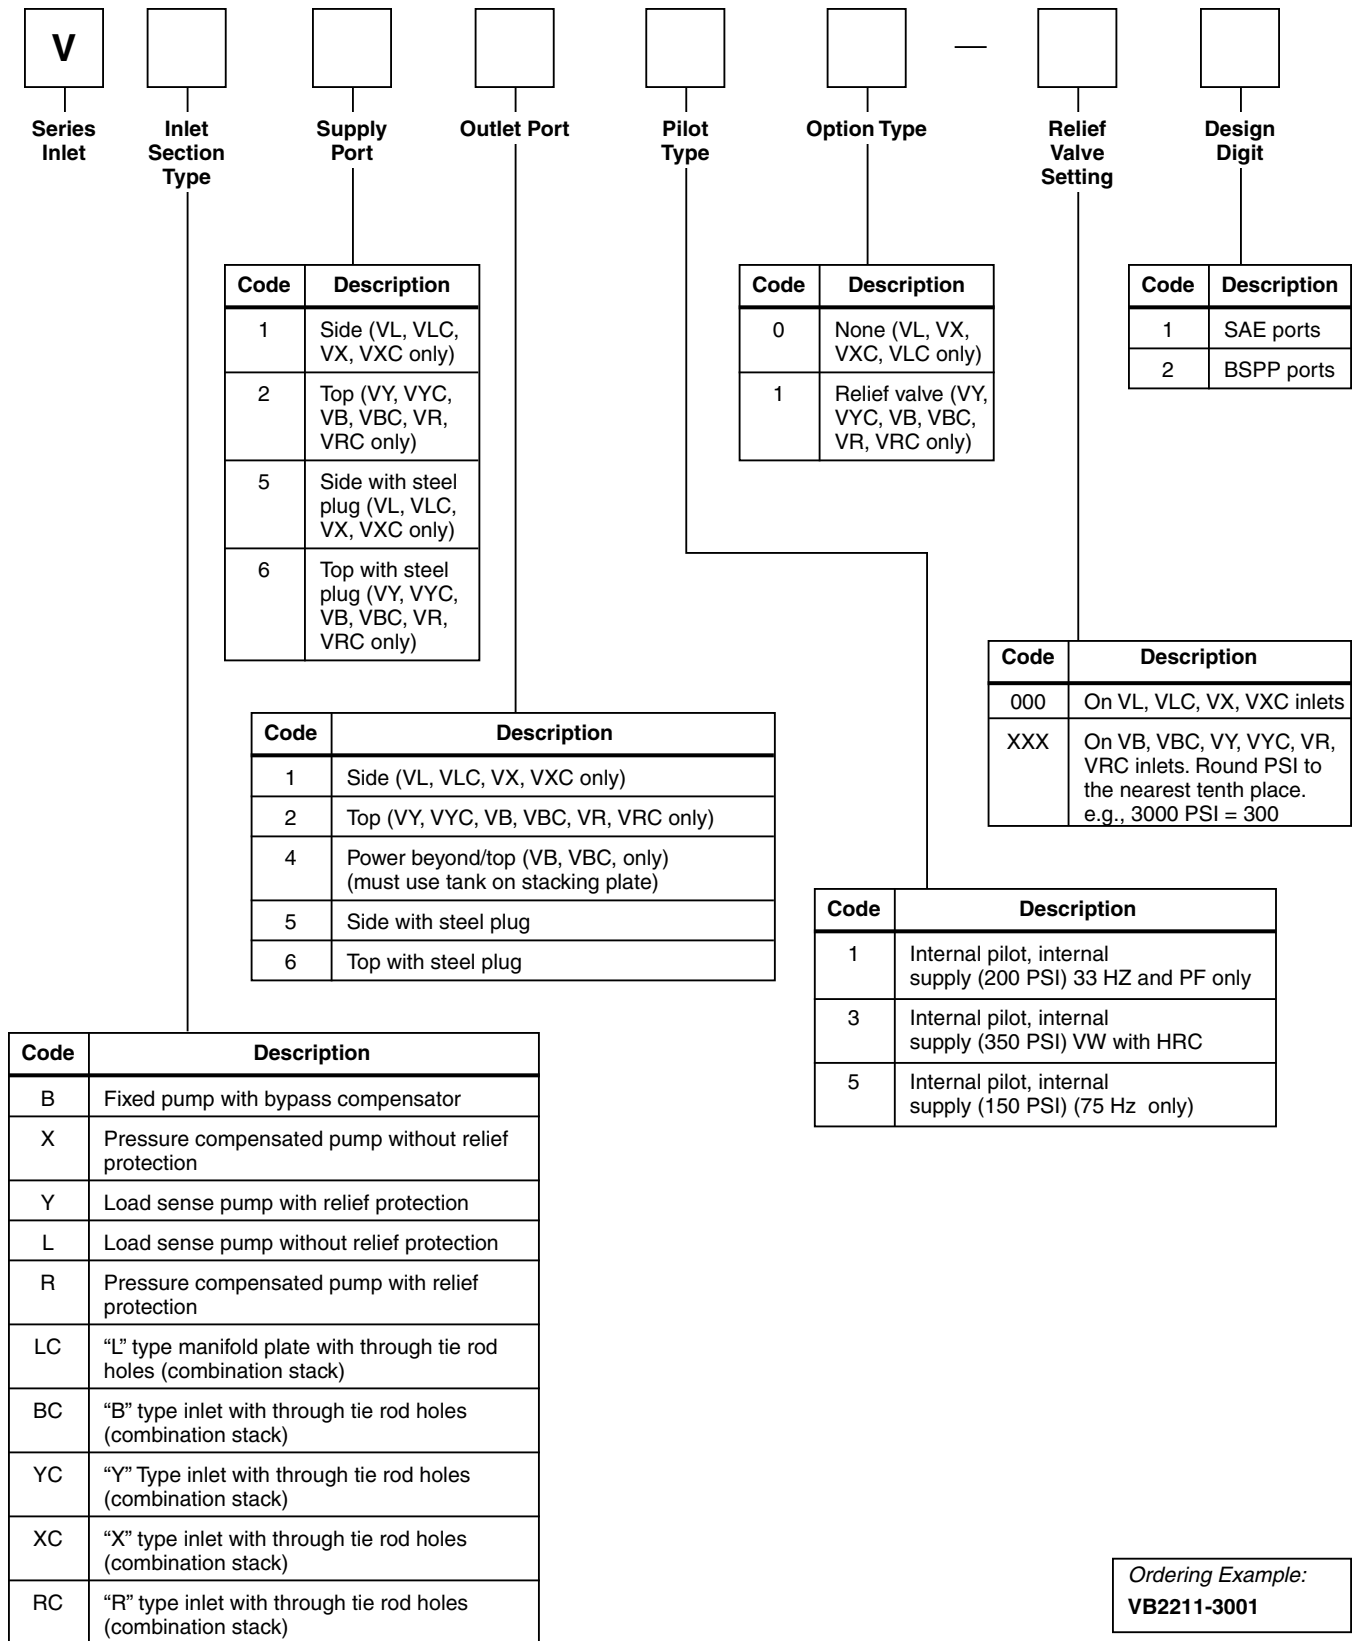

Code	Description
1	Fixed pump with bypass compensator (VB, VBL, VBC)
3	Load sense pump without relief (VL, VLL, VLC)
4	Fixed pump with power beyond port (VB, VBL, VBC)
†5	Pressure compensated pump without relief (VX, VXL, VXC)
6	Load sense pump with relief (VY, VYL, VYC)
†8	Pressure compensated pump with relief (VR, VRL, VRC)
†9	Pressure compensated pump with inlet regulator, only for non-compensated segments (VEL)

† If any segments in the stack are non-compensated, then do not use a "5" or "8" type inlet. Either choose all compensated segments or use "9" type inlet with non-compensated segments.

Ordering Example:
VAL 1410-2504-203

Pulsar® Stackable Valves

VP/VPO Series Inlet

Pulsar® Stackable Valves**VP/VPO Inlet****Service Parts**

Part No.	Description
VAPPK1	Pilot Reducing Adjustment Screw and Lock Nut Kit
VBCPK3001	Compensator Adjustment Kit (Standard)
VBIFK1	Inlet Pilot Filter Kit - Bypassing (VB, VY, VBC, VYC, VR, VRC)
VBIFK2	Inlet Pilot Filter Kit with External Supply
VBISK1	Bypass Inlet Spool Kit
VBPRK1	Pilot Reducing Kit, 200 PSI
VBPRK2	Pilot Reducing Kit, 350 PSI
VBPRK3	Pilot Reducing Kit, 150 PSI
VBSK1	Compensator O-ring Kit (VB, VBC, VY, VYC, VR, VRC)
VLPFK1	Inlet Pilot Filter - Load Sensing (VL, VLC, VX, VXC)
VPBPK1	Power Beyond Plug Kit
VYISK1	Relief Inlet Spool Kit (VY)

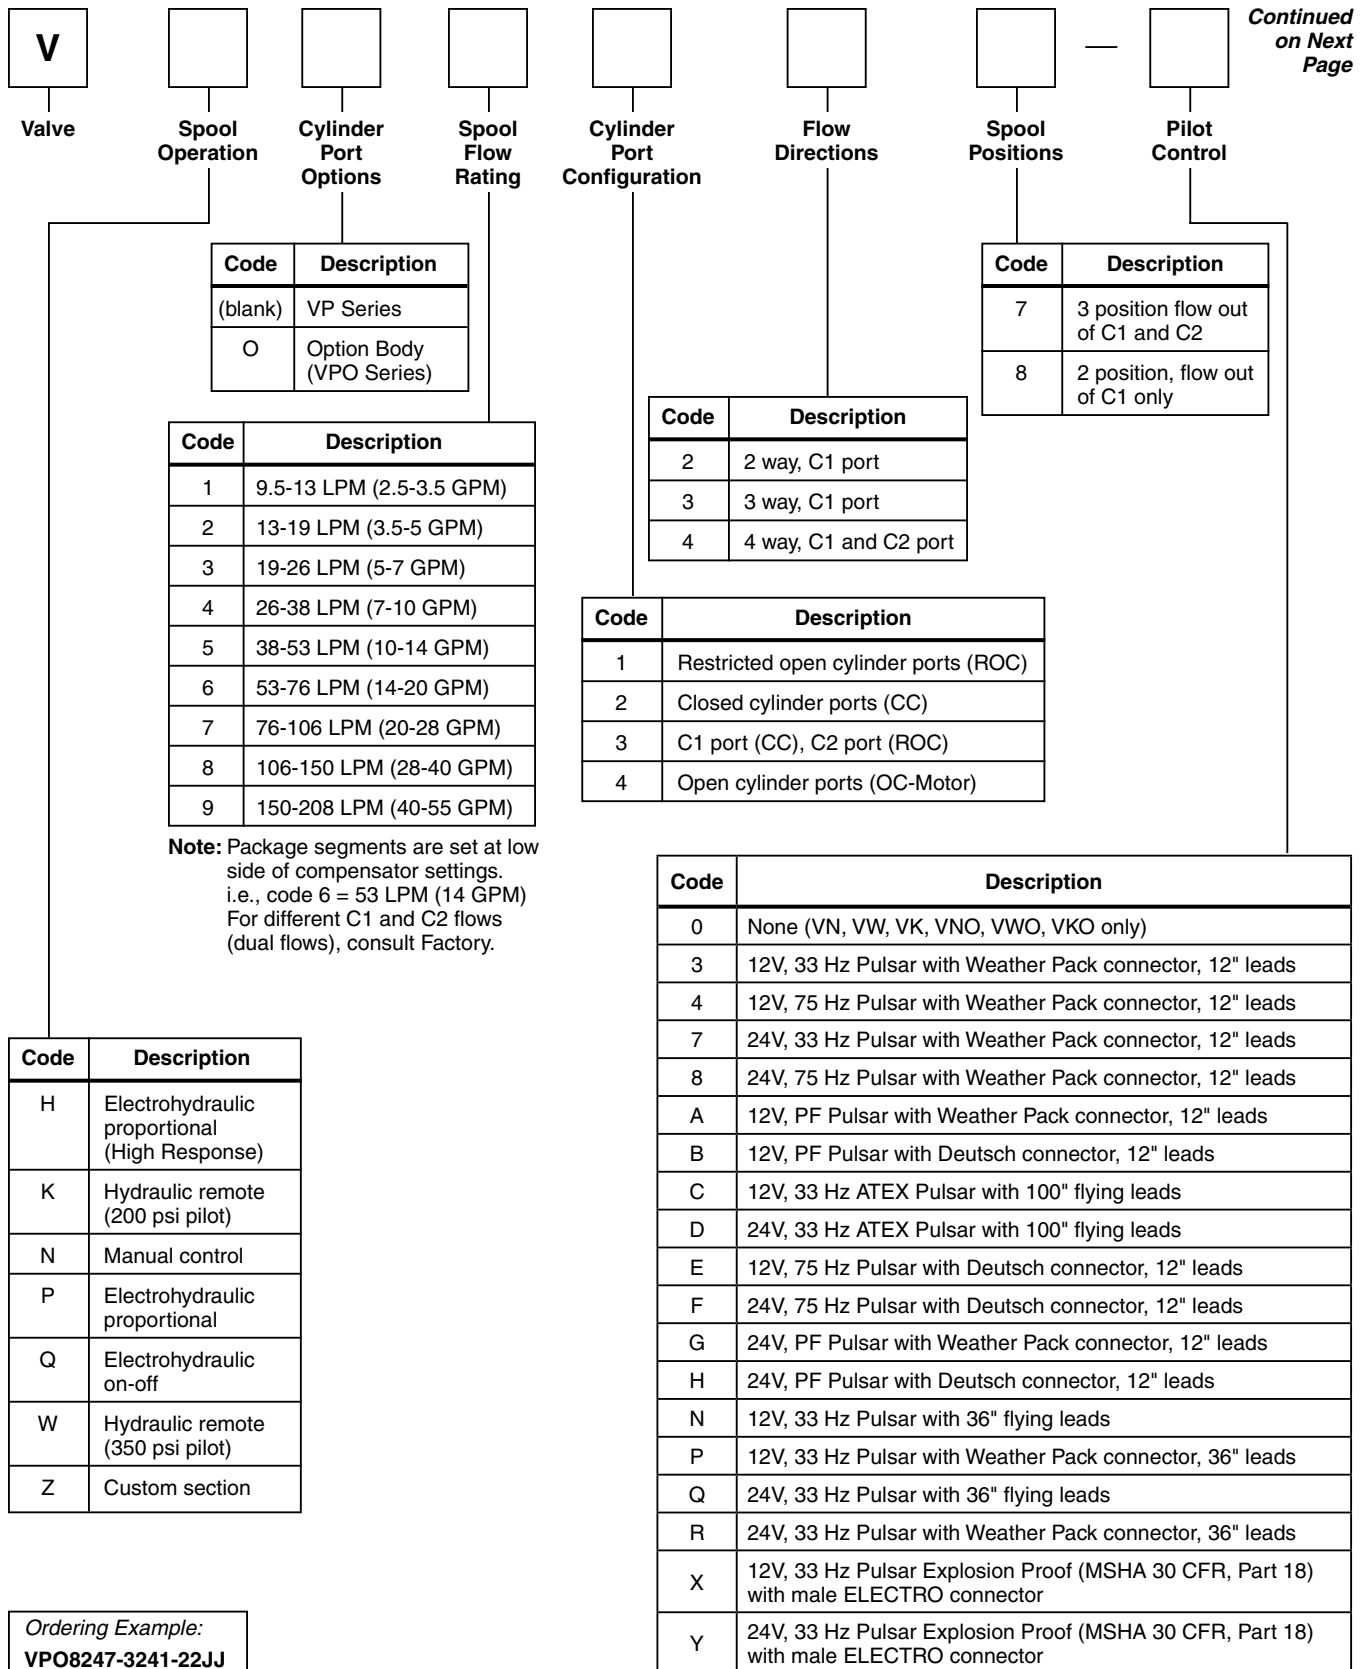

VP/VPO Inlet (Cont.)**Inlet Seal Kit (VB, VY, VBC, VYC, VR, VRC)**

Part No.	Description
VBSK2	SAE Nitrile
VBSK3	BSPP Nitrile

Inlet Seal Kit (VL, VLC, VX, VXC)

Part No.	Description
VLSK1	SAE Nitrile
VLSK2	BSPP Nitrile

VP/VPO Series Working Segment

Pulsar® Stackable Valves

Continued from Previous Page

Code	Description
1	SAE ports
2	BSPP ports

Code	Description
3	Manual operator shaft only
4	Manual adapter & 6-inch handle rod VP Series VPO Series
5	Manual adapter only VP Series VPO Series
8	Manual adapter and 9" handle rod VP Series VPO Series

Code	Pressure Setting
A	50 Bar (750 PSI)
B	63 Bar (950 PSI)
C	80 Bar 1150 PSI)
D	100 Bar (1450 PSI)
F	125 Bar (1850 PSI)
G	140 Bar (2050 PSI)
H	160 Bar (2350 PSI)
J	175 Bar (2550 PSI)
K	190 Bar (2750 PSI)
L	210 Bar (3050 PSI)
M	230 Bar (3350 PSI)
N	250 Bar (3650 PSI)
P	280 Bar (4050 PSI)
R	300 Bar (4350 PSI)
S	320 Bar (4650 PSI)
T	350 Bar (5050 PSI)
O	N/A

Code	Description
†1	Non-compensated (for desired flow, select 2 sizes smaller spool min. rating)
2	Individual segment compensator (ISC) shim adjust, low profile design
††3	ISC with external adjust pressure limiter low profile, single segment
††4	ISC with external adjust pressure limiter low profile, multi-segment, first position
††5	ISC with external adjust pressure limiter low profile, multi-segment, intermediate position
††6	ISC with external adjust pressure limiter low profile, multi-segment, final position
A	Externally adjustable ISC, high profile design
E	Individual compensator with ported L.S. plug

Code	Description
1	Relief
2	Relief, with anticavitation check
3	Anticavitation check
4	Float, 12 VDC
5	Float, 24 VDC
6	Defeat plug

Code	Description
1	Relief
2	Relief, with anticavitation check
3	Anticavitation check
4	Float, 12 VDC
5	Float, 24 VDC
6	Defeat plug

† Without compensation, max flow can only be adjusted with flow limiters.
 †† For package segments, pressure limiters are set at 1500 PSI.

Pulsar® Stackable Valves**VP/VPO Series Working Segment****Service Parts**

Part No.	Description
VORLSK1	Refurbished Load Sense Kit
VPCSK1	Individual Compensator Shim Kit (100 each 0.025, 0.008, 0.003)
VPEPK1	End Plug Kit
VPFHAK1	Fixed Operator Adapter Kit (VP)
VPFLK1	Flow Limiter Kit
VPFS1K2	Compensator Field Service Kit (Dual springs) (Low Profile)
VPHRK1	High Response Service Kit
VPLFHAK3	Fixed Operator Adapter Kit (VPO)
VPLH6K2	Manual Operator (6 inch) Handle Kit (hex shaft design) (Standard)
VPMOK2	Manual Operator Kit (Multiple Position) (hex shaft design) (Std) (VP Series)
VPOMOK2	Manual Operator Kit (Multiple Position) (hex shaft design) (Std) (VPO Series)
VPPCK2	Pressure Compensator Kit (Externally Adjust)
VPPCK3	Pressure Compensator Kit (Standard) (Low Profile) (Dual Springs) (Supersedes VPPCK1)
VPPCPK1	Ported Compensator Plug Kit SAE #4
VPPCPK2	Ported Compensator Plug Kit BSPP G-1/4
VPPLX1K1501	Low Profile Pressure Limiter Kit, Single Segment
VPPLX2K1501	Low Profile Pressure Limiter Kit, Multi-Segment, First Position
VPPLX3K1501	Low Profile Pressure Limiter Kit, Multi-Segment, Intermediate Position
VPPLX4K1501	Low Profile Pressure Limiter Kit, Multi-Segment, Final Position
VPLH9K1	Manual Operator (9 inch) Handle Kit

VP/VPO Series Working Segment (Cont.)**Service Parts (cont.)**

Part No.	Description
VPPLX1K1502	High Profile Pressure Limiter Kit, Single Segment
VPPLX2K1502	High Profile Pressure Limiter Kit, Multi-Segment, First Position
VPPLX3K1502	High Profile Pressure Limiter Kit, Multi-Segment, Intermediate Position
VPPLX4K1502	High Profile Pressure Limiter Kit, Multi-Segment, Final Position
VPWSSK1	Working Segment Seal Kit (All Segment Seals) SAE, Nitrile
VPWSSK2	Working Segment Seal Kit (All Segment Seals) BSPP, Nitrile

Workport Option Cartridges (VPO Only)

Part No.	Description
VPOAV1K1	Anticavitation Check
VPOFV1K1	Electric Float Valve (2P-2W, N.C.), 12 volt
VPOFV2K1	Electric Float Valve (2P-2W, N.C.), 24 volt
VPORA1K1*	Relief w/Anticavitation Check (3000 PSI)
VPORV1K1*	Standard Relief Valve (3000 PSI)
VPORVSK1	Port Option Seal Kit
VPOSP1K1	Defeat Plug Kit

* Relief valves are adjustable.

Pilot Controls – See Page 19

Note: For different C1 and C2 flows Consult Factory.

Code	Description
2	2 way, C1 port
3	3 way, C1 port
4	4 way, C1 & C2 port

Code	Description
1	2 pos., H.D. flow adj. on C1
2	2 pos., no adj., flow out C1 only
3	3 pos., no adj., flow out C1 & C2
4	3 pos., H.D. flow adj. on C1 & C2
5	3 pos., H.D. flow adj. on C1 only
6	3 pos., H.D. flow adj. on C2 only
7	3 pos., S.D. flow adj. on C1 and C2
8	2 pos., S.D. flow adj. on C1
A	3 pos., Detented C1, C2 & Center (Manual control only) (No adj.)
B	3 pos., Infinite pos. friction lock w/ctr detent (Manual control only) (S.D.)

Note: S.D. (Standard Duty) adjustment screws are defeated when H.D. (Heavy Duty) adjustment screws are used.

Code	Description
2	Closed cylinder ports (CC)
3	C1 port (CC), C2 port (VOC)
4	Open cylinder ports (OC-Motor)
5	Special closed cylinder port (low leak) **
6	Special 3-way closed cylinder ports (low leak) **
7	Vented open cylinder ports (VOC)

** Leakage: 7-17 cc/min @ 1000 PSI with 150 SUS oil @ 100°F.

Code	Description
K	Hydraulic remote (200 psi pilot)
N	Manual control
P	Electrohydraulic proportional
Q	Electrohydraulic on-off
W	Hydraulic remote (350 psi pilot)
Z	Custom section

Pulsar® Stackable Valves**VPL Series Working Segment****Service Parts**

Part No.	Description
DB1545021	Seal Nut for Flow Limiter
DB1659147	Manual Operator Handle Knob
DB1851268	Shim Insertion Kit
DB1905950	Symmetry Adjustment Kit
DB5319027	Set Screw for Flow Limiter
DB5341734	Float Coil, 12V
DB5342734	Float Coil, 24V
DB5343950	Float Cartridge Kit, 12V
DB5344950	Float Cartridge Kit, 24V
VNLDK1	3 Position Detent Kit (w/o Spool)
VNLFLK1	Friction Lock Kit (w/o spool)
VPLAV1K1	Anticavitation Valve Kit for option ports
VPLCPK1	Compensator Plug Kit, Shim Adjustable
VPLCPK2	Compensator Plug Kit, Externally Adjustable
VPLCSK1	Individual Compensator Shim Kit (100 each 0.025, 0.008, 0.003)
VPLFHA3	Fixed Operator Linkage Kit (handle adapter and set screw) (4, 5, 6 design)
VPLFHM1	Fixed Operator Linkage Kit (Marine) (Handle adapter and set screw) (4, 5, 6 Design)
VPLFLK1	Flow Adjustment Kit (Replacement end plugs on spool cavity)
VPLH6K2	Manual Operator (6 inch) Handle Kit (hex shaft design)

VPL Series Working Segment (Cont.)**Service Parts**

Part No.	Description
VPLH9K1	Manual Operator (9 inch) Handle Kit
VPLHWK2	Manual Operator (6 inch) Weighted
VPLLDCK1	Load Drop Check Kit
VPLMHK2	Handle Shaft Kit (no adapter)
VPLPK2	Work Port Option Plug Kit
VPLPCPK1	Ported Compensator Plug Kit (#4 SAE)
VPLPCPK2	Ported Compensator Plug Kit (BSPP G-1/4)
VPLRA*K1	Relief w/Anticavitation Valve Kit (See table on Page 17 for pressure setting)
VPLRVK1	Compensator Plug Kit, Shim Adjustable w/C1 Pressure Limiter or Common Press Limiter
VPLRVK2	C2 Pressure Limiter Kit
VPLRVK3	Compensator Plug Kit, Externally Adjustable with C1 Pressure Limiter
VPLSCK2	Segment Compensator Spool Kit
VPLSK2	Working Segment O-ring Kit, Nitrile (complete)
VPLSP1K1	Defeat Plug Kit for option ports
VPLWSK2	Individual Segment O-ring Kit (Face Seals)

Pilot Controls – See Page 19

Pulsar® Stackable Valves**Pulsar® Pilot Controls****Service Parts**

Part No.	Description
VNPK1	Solenoid Plug Kit (2)
VS1320-0001-001	Solenoid Cartridge, Marine 12V (Old Nemko Approved)
VS1320-0005-001A	Solenoid Cartridge, 12V, 12" leads ATEX Certified
VS1320-0005-001B	Solenoid Cartridge, 12V, 36" leads ATEX Certified
VS1320-0005-001C	Solenoid Cartridge, 12V, 100" leads ATEX Certified
VS1320-0011	Solenoid Cartridge, 12V, Proportional with Weather Pack, 33Hz
VS1320-0012-003	Solenoid Cartridge, MSHA, 11.2V Intrinsic with Weather Pack Connector (proportional), 33Hz
VS1320-0022-003	Solenoid Cartridge, MSHA, 33Hz 11.2V Intrinsic w/ELECTRO Male Connector (submersible) (proportional)
VS1320-0024-002	Solenoid Cartridge, MSHA, 33Hz 12V Proportional XP with ELECTRO Male Connector
VS1320-0024-006	Solenoid Cartridge, MSHA, 33Hz 24V Proportional XP with ELECTRO Male Connector
VS1320-0051-001	Solenoid Cartridge, Marine 24V (Old Nemko Approved), 33Hz
VS1320-0055-001A	Solenoid Cartridge, 24V, 12" leads ATEX Certified, 33Hz
VS1320-0055-001B	Solenoid Cartridge, 24V, 36" leads ATEX Certified, 33Hz
VS1320-0055-001C	Solenoid Cartridge, 24V, 100" leads ATEX Certified, 33Hz
VS1320-0061	Solenoid Cartridge, 24V, Proportional with Weather Pack, 33Hz
VS1320-0111	Solenoid Cartridge, 12V ON/OFF with Weather Pack, 33Hz
VS1320-0161	Solenoid Cartridge, 24V ON/OFF with Weather Pack, 33Hz
VS1320-00J1	Solenoid Cartridge, 12V w/Large Hirschmann Connector (DIN 43) GDM Series, 33Hz
VS1320-00K1	Solenoid Cartridge 24V w/Large Hirschmann Connector (DIN 43) GDM Series, 33Hz
VS1320-00L1	Solenoid Cartridge, 12V w/Small Hirschmann Connector G Series, 33Hz
VS1320-00M1	Solenoid Cartridge, 24V w/Small Hirschmann Connector G Series, 33Hz

Pulsar® Pilot Controls (Cont.)**Service Parts**

Part No.	Description
VS1320-00N1	Solenoid Cartridge, 12V, Proportional with 36" flying leads, 33Hz
VS1320-00P1	Solenoid Cartridge, 12V, Proportional with 36" Weather Pack, 33Hz
VS1320-00Q1	Solenoid Cartridge, 24V, Proportional with 36" flying leads, 33Hz
VS1320-00R1	Solenoid Cartridge, 24V, Proportional with 36" Weather Pack, 33Hz
VS1515-0001	Solenoid Cartridge, 12V, 75Hz with 12" flying leads (High Response), No Groove
VS1515-0011	Solenoid Cartridge, 12V, 75Hz with Weather Pack Connector (High Response), No Groove
VS1515-0041	Solenoid Cartridge, 12V, 75Hz with Deutsch Connector (High Response), No Groove
VS1515-0051	Solenoid Cartridge, 24V, 75Hz with 12" flying leads, (High Response), No Groove
VS1515-0061	Solenoid Cartridge, 24V, 75Hz with Weather Pack Connector (High Response), No Groove
VS1515-0091	Solenoid Cartridge, 24V, 75Hz with Deutsch Connector (High Response), No Groove
VS1515-3001	Solenoid Cartridge, 12V, 75 Hz with 12" flying leads
VS1515-3011	Solenoid Cartridge, 12V, 75 Hz with Weather Pack Connector
VS1515-3041	Solenoid Cartridge, 12V, 75Hz with Deutsch Connector
VS1515-3051	Solenoid Cartridge, 24V, 75Hz with 12" flying leads
VS1515-3061	Solenoid Cartridge, 24V 75Hz with Weather Pack Connector
VS1515-3091	Solenoid Cartridge, 24V, 75Hz with Deutsch Connector
VS1619-0011	Solenoid Cartridge, 12 V PF with Weather Pack Connector
VS1619-0041	Solenoid Cartridge, 12 V PF with Deutsch Connector
VS1619-0061	Solenoid Cartridge, 24 V PF with Weather Pack Connector
VS1619-0091	Solenoid Cartridge, 24 V PF with Deutsch Connector

Notes:

1. Stacking plate is convertible between internal and external drain.
2. When ordering kits for combination stacks, order a VOL series stacking plate, but be sure to order the correct VALMC*K1 assembly kit (page 9).

Terms of Sale with Warranty Limitations

Offer of Sale

The goods, services or work (referred to as the "Products") offered by Parker-Hannifin Corporation, its subsidiaries, groups, divisions, and authorized distributors ("Seller") are offered for sale at prices indicated in the offer, or as may be established by Seller. The offer to sell the Products and acceptance of Seller's offer by any customer ("Buyer") is contingent upon, and will be governed by all of the terms and conditions contained in this Offer of Sale. Buyer's order for any Products specified in Buyer's purchase document or Seller's offer, proposal or quote ("Quote") attached to the purchase order, when communicated to Seller verbally, or in writing, shall constitute acceptance of this offer. Conditions. Buyer's order for any item described in its document, when communicated to Seller verbally, or in writing, shall constitute acceptance of this offer. All goods or work described will be referred to as "Products".

1. Terms and Conditions. Seller's willingness to offer Products for sale or accept an order for Products is subject to the terms and conditions contained in this Offer of Sale or any newer version of the same, published by Seller electronically at www.parker.com/saleterms/. Seller objects to any contrary or additional terms or conditions of Buyer's order or any other document or other communication issued by Buyer.

2. Price; Payment. Prices stated on Seller's Quote are valid for thirty (30) days, except as explicitly otherwise stated therein, and do not include any sales, use, or other taxes or duties unless specifically stated. Seller reserves the right to modify prices to adjust for any raw material price fluctuations. Unless otherwise specified by Seller, all prices are F.C.A. Seller's facility (INCOTERMS 2010). Payment is subject to credit approval and payment for all purchases is due thirty (30) days from the date of invoice (or such date as may be specified by Seller's Credit Department). Unpaid invoices beyond the specified payment date incur interest at the rate of 1.5% per month or the maximum allowable rate under applicable law.

3. Shipment; Delivery; Title and Risk of Loss. All delivery dates are approximate. Seller is not responsible for damages resulting from any delay. Regardless of the manner of shipment, delivery occurs and title and risk of loss or damage pass to Buyer, upon placement of the Products with the shipment carrier at Seller's facility. Unless otherwise stated, Seller may exercise its judgment in choosing the carrier and means of delivery. No deferment of shipment at Buyer's request beyond the respective dates indicated will be made except on terms that will indemnify, defend and hold Seller harmless against all loss and additional expense. Buyer shall be responsible for any additional shipping charges incurred by Seller due to Buyer's acts or omissions.

4. Warranty. Seller warrants that the Products sold hereunder shall be free from defects in material or workmanship for a period of eighteen (18) months from the date of delivery. All prices are based upon the exclusive limited warranty stated above, and upon the following disclaimer: **DISCLAIMER OF WARRANTY: THIS WARRANTY IS THE SOLE AND ENTIRE WARRANTY PERTAINING TO PRODUCTS PROVIDED. SELLER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING DESIGN, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

5. Claims; Commencement of Actions. Buyer shall promptly inspect all Products upon receipt. No claims for shortages will be allowed unless reported to the Seller within ten (10) days of delivery. No other claims against Seller will be allowed unless asserted in writing within thirty (30) days after delivery. Buyer shall notify Seller of any alleged breach of warranty within thirty (30) days after the date the defect is or should have been discovered by Buyer. Any claim or action against Seller based upon breach of contract or any other theory, including tort, negligence, or otherwise must be commenced within twelve (12) months from the date of the alleged breach or other alleged event, without regard to the date of discovery.

6. LIMITATION OF LIABILITY. IN THE EVENT OF A BREACH OF WARRANTY, SELLER WILL, AT ITS OPTION, REPAIR OR REPLACE A DEFECTIVE PRODUCT, OR REFUND THE PURCHASE PRICE WITHIN A REASONABLE PERIOD OF TIME. IN NO EVENT IS SELLER LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF, OR AS THE RESULT OF, THE SALE, DELIVERY, NON-DELIVERY, SERVICING, USE OR LOSS OF USE OF THE PRODUCTS OR ANY PART THEREOF, OR FOR ANY CHARGES OR EXPENSES OF ANY NATURE INCURRED WITHOUT SELLER'S WRITTEN CONSENT, WHETHER BASED IN CONTRACT, TORT OR OTHER LEGAL THEORY. IN NO EVENT SHALL SELLER'S LIABILITY UNDER ANY CLAIM MADE BY BUYER EXCEED THE PURCHASE PRICE OF THE PRODUCTS.

7. User Responsibility. The user, through its own analysis and testing, is solely responsible for making the final selection of the system and Product and assuring that all performance, endurance, maintenance, safety and warning requirements of the application are met. The user must analyze all aspects of the application and follow applicable industry standards and Product information. If Seller provides Product or system options based upon data or specifications provided by the user, the user is responsible for determining that such data and specifications are suitable and sufficient for all applications and reasonably foreseeable uses of the Products or systems.

8. Loss to Buyer's Property. Any designs, tools, patterns, materials, drawings, confidential information or equipment furnished by Buyer or any other items which become Buyer's property, will be considered obsolete and may be destroyed by Seller after two (2) consecutive years have elapsed without Buyer ordering the items manufactured using such property. Seller shall not be responsible for any loss or damage to such property while it is in Seller's possession or control.

9. Special Tooling. A tooling charge may be imposed for any special tooling, including without limitation, dies, fixtures, molds and patterns, acquired to manufacture Products. Such special tooling shall be and remain Seller's property notwithstanding payment of any charges by Buyer. In no event will Buyer acquire any interest in apparatus belonging to Seller which is utilized in the manufacture of the Products, even if such apparatus has been specially converted or adapted for such manufacture and notwithstanding any charges paid by Buyer. Unless otherwise agreed, Seller has the right to alter, discard or otherwise dispose of any special tooling or other property in its sole discretion at any time.

10. Buyer's Obligation; Rights of Seller. To secure payment of all sums due or otherwise, Seller retains a security interest in all Products delivered to Buyer and this agreement is deemed to be a Security Agreement under the Uniform Commercial Code. Buyer authorizes Seller as its attorney to execute and file on Buyer's behalf all documents Seller deems necessary to perfect its security interest.

11. Improper Use and Indemnity. Buyer shall indemnify, defend, and hold Seller harmless from any losses, claims, liabilities, damages, lawsuits, judgments and costs (including attorney fees and defense costs), whether for personal injury, property damage, patent, trademark or copyright infringement or any other claim, brought

by or incurred by Buyer, Buyer's employees, or any other person, arising out of: (a) improper selection, application, design, specification or other misuse of Products purchased by Buyer from Seller; (b) any act or omission, negligent or otherwise, of Buyer; (c) Seller's use of patterns, plans, drawings, or specifications furnished by Buyer to manufacture Products; or (d) Buyer's failure to comply with these terms and conditions. Seller shall not indemnify Buyer under any circumstance except as otherwise provided.

12. Cancellations and Changes. Buyer may not cancel or modify or cancel any order for any reason, except with Seller's written consent and upon terms that will indemnify, defend and hold Seller harmless against all direct, incidental and consequential loss or damage. Seller may change Product features, specifications, designs and availability.

13. Limitation on Assignment. Buyer may not assign its rights or obligations under this agreement without the prior written consent of Seller.

14. Force Majeure. Seller does not assume the risk and is not liable for delay or failure to perform any of Seller's obligations by reason of events or circumstances beyond its reasonable control (hereinafter "Events of Force Majeure"). Events of Force Majeure shall include without limitation: accidents, strikes or labor disputes, acts of any government or government agency, acts of nature, delays or failures in delivery from carriers or suppliers, shortages of materials, or any other cause beyond Seller's reasonable control.

15. Waiver and Severability. Failure to enforce any provision of this agreement will not invalidate that provision; nor will any such failure prejudice Seller's right to enforce that provision in the future. Invalidation of any provision of this agreement by legislation or other rule of law shall not invalidate any other provision herein. The remaining provisions of this agreement will remain in full force and effect.

16. Termination. Seller may terminate this agreement for any reason and at any time by giving Buyer thirty (30) days prior written notice. Seller may immediately terminate this agreement, in writing, if Buyer: (a) breaches any provision of this agreement (b) appoints a trustee, receiver or custodian for all or any part of Buyer's property (c) files a petition for relief in bankruptcy on its own behalf, or one if filed by a third party (d) makes an assignment for the benefit of creditors; or (e) dissolves its business or liquidates all or a majority of its assets.

17. Governing Law. This agreement and the sale and delivery of all Products are deemed to have taken place in, and shall be governed and construed in accordance with, the laws of the State of Ohio, as applicable to contracts executed and wholly performed therein and without regard to conflicts of laws principles. Buyer irrevocably agrees and consents to the exclusive jurisdiction and venue of the courts of Cuyahoga County, Ohio with respect to any dispute, controversy or claim arising out of or relating to this agreement.

18. Indemnity for Infringement of Intellectual Property Rights. Seller is not liable for infringement of any patents, trademarks, copyrights, trade dress, trade secrets or similar rights except as provided in this Section. Seller will defend and indemnify Buyer against allegations of infringement of U.S. patents, U.S. trademarks, copyrights, trade dress and trade secrets ("Intellectual Property Rights"). Seller will defend at its expense and will pay the cost of any settlement or damages awarded in an action brought against Buyer based on an allegation that a Product sold pursuant to this agreement infringes the Intellectual Property Rights of a third party. Seller's obligation to defend and indemnify Buyer is contingent on Buyer notifying Seller within ten (10) days after Buyer becomes aware of such allegations of infringement, and Seller having sole control over the defense of any allegations or actions including all negotiations for settlement or compromise. If a Product is subject to a claim that it infringes the Intellectual Property Rights of a third party, Seller may, at its sole expense and option, procure for Buyer the right to continue using the Product, replace or modify the Product so as to make it noninfringing, or offer to accept return of the Product and refund the purchase price less a reasonable allowance for depreciation. Notwithstanding the foregoing, Seller is not liable for claims of infringement based on information provided by Buyer, or directed to Products delivered hereunder for which the designs are specified in whole or part by Buyer, or infringements resulting from the modification, combination or use in a system of any Product sold hereunder. The foregoing provisions of this Section constitute Seller's sole and exclusive liability and Buyer's sole and exclusive remedy for infringement of Intellectual Property Rights.

19. Entire Agreement. This agreement contains the entire agreement between the Buyer and Seller and constitutes the final, complete and exclusive expression of the terms of sale. All prior or contemporaneous written or oral agreements or negotiations with respect to the subject matter are herein merged. The terms contained herein may not be modified unless in writing and signed by an authorized representative of Seller.

20. Compliance with Laws. Buyer agrees to comply with all applicable laws, regulations, and industry and professional standards of care, including those of the United Kingdom, the United States of America, and the country or countries in which Buyer may operate, including without limitation the U. K. Bribery Act, the U.S. Foreign Corrupt Practices Act ("FCPA"), the U.S. Anti-Kickback Act ("Anti-Kickback Act") and the U.S. Food Drug and Cosmetic Act ("FDCA"), each as currently amended, and the rules and regulations promulgated by the U.S. Food and Drug Administration ("FDA"), and agrees to indemnify and hold harmless Seller from the consequences of any violation of such provisions by Buyer, its employees or agents. Buyer acknowledges that it is familiar with the provisions of the U. K. Bribery Act, the FCPA, the FDA, and the Anti-Kickback Act, and certifies that Buyer will adhere to the requirements thereof. In particular, Buyer represents and agrees that Buyer will not make any payment or give anything of value, directly or indirectly to any governmental official, any foreign political party or official thereof, any candidate for foreign political office, or any commercial entity or person, for the purpose of influencing such person to purchase Products or otherwise benefit the business of Seller.

Parker's Motion & Control Technologies

At Parker, we're guided by a relentless drive to help our customers become more productive and achieve higher levels of profitability by engineering the best systems for their requirements. It means looking at customer applications from many angles to find new ways to create value. Whatever the motion and control technology need, Parker has the experience, breadth of product and global reach to consistently deliver. No company knows more about motion and control technology than Parker. For further info call 1 800 C-Parker (1 800 272 7537)

Aerospace

Key Markets

Aftermarket services
Commercial transports
Engines
General & business aviation
Helicopters
Launch vehicles
Military aircraft
Missiles
Power generation
Regional transports
Unmanned aerial vehicles

Key Products

Control systems & actuation products
Engine systems & components
Fluid conveyance systems & components
Fluid metering, delivery & atomization devices
Fuel systems & components
Fuel tank inerting systems
Hydraulic systems & components
Thermal management
Wheels & brakes

Climate Control

Key Markets

Agriculture
Air conditioning
Construction Machinery
Food & beverage
Industrial machinery
Life sciences
Oil & gas
Precision cooling
Process
Refrigeration
Transportation

Key Products

Accumulators
Advanced actuators
CO₂ controls
Electronic controllers
Filter driers
Hand shut-off valves
Heat exchangers
Hose & fittings
Pressure regulating valves
Refrigerant distributors
Safety relief valves
Smart pumps
Solenoid valves
Thermostatic expansion valves

Electromechanical

Key Markets

Aerospace
Factory automation
Life science & medical
Machine tools
Packaging machinery
Paper machinery
Plastics machinery & converting
Primary metals
Semiconductor & electronics
Textile
Wire & cable

Key Products

AC/DC drives & systems
Electric actuators, gantry robots & slides
Electrohydraulic actuation systems
Electromechanical actuation systems
Human machine interface
Linear motors
Stepper motors, servo motors, drives & controls
Structural extrusions

Filtration

Key Markets

Aerospace
Food & beverage
Industrial plant & equipment
Life sciences
Marine
Mobile equipment
Oil & gas
Power generation & renewable energy
Process
Transportation
Water Purification

Key Products

Analytical gas generators
Compressed air filters & dryers
Engine air, coolant, fuel & oil filtration systems
Fluid condition monitoring systems
Hydraulic & lubrication filters
Hydrogen, nitrogen & zero air generators
Instrumentation filters
Membrane & fiber filters
Microfiltration
Sterile air filtration
Water desalination & purification filters & systems

Fluid & Gas Handling

Key Markets

Aerial lift
Agriculture
Bulk chemical handling
Construction machinery
Food & beverage
Fuel & gas delivery
Industrial machinery
Life sciences
Marine
Mining
Mobile
Oil & gas
Renewable energy
Transportation

Key Products

Check valves
Connectors for low pressure fluid conveyance
Deep sea umbilicals
Diagnostic equipment
Hose couplings
Industrial hose
Mooring systems & power cables
PTFE hose & tubing
Quick couplings
Rubber & thermoplastic hose
Tube fittings & adapters
Tubing & plastic fittings

Hydraulics

Key Markets

Aerial lift
Agriculture
Alternative energy
Construction machinery
Forestry
Industrial machinery
Machine tools
Marine
Material handling
Mining
Oil & gas
Power generation
Refuse vehicles
Renewable energy
Truck hydraulics
Turf equipment

Key Products

Accumulators
Cartridge valves
Electrohydraulic actuators
Human machine interfaces
Hybrid drives
Hydraulic cylinders
Hydraulic motors & pumps
Hydraulic systems
Hydraulic valves & controls
Hydrostatic steering
Integrated hydraulic circuits
Power take-offs
Power units
Rotary actuators
Sensors

Pneumatics

Key Markets

Aerospace
Conveyor & material handling
Factory automation
Life science & medical
Machine tools
Packaging machinery
Transportation & automotive

Key Products

Air preparation
Brass fittings & valves
Manifolds
Pneumatic accessories
Pneumatic actuators & grippers
Pneumatic valves & controls
Quick disconnects
Rotary actuators
Rubber & thermoplastic hose & couplings
Structural extrusions
Thermoplastic tubing & fittings
Vacuum generators, cups & sensors

Process Control

Key Markets

Alternative fuels
Biopharmaceuticals
Chemical & refining
Food & beverage
Marine & shipbuilding
Medical & dental
Microelectronics
Nuclear Power
Offshore oil exploration
Oil & gas
Pharmaceuticals
Power generation
Pulp & paper
Steel
Water/wastewater

Key Products

Analytical Instruments
Analytical sample conditioning products & systems
Chemical injection fittings & valves
Fluoropolymer chemical delivery fittings, valves & pumps
High purity gas delivery fittings, valves, regulators & digital flow controllers
Industrial mass flow meters/controllers
Permanent no-weld tube fittings
Precision industrial regulators & flow controllers
Process control double block & bleeds
Process control fittings, valves, regulators & manifold valves

Sealing & Shielding

Key Markets

Aerospace
Chemical processing
Consumer
Fluid power
General industrial
Information technology
Life sciences
Microelectronics
Military
Oil & gas
Power generation
Renewable energy
Telecommunications
Transportation

Key Products

Dynamic seals
Elastomeric o-rings
Electro-medical instrument design & assembly
EMI shielding
Extruded & precision-cut, fabricated elastomeric seals
High temperature metal seals
Homogeneous & inserted elastomeric shapes
Medical device fabrication & assembly
Metal & plastic retained composite seals
Shielded optical windows
Silicone tubing & extrusions
Thermal management
Vibration dampening

ENGINEERING YOUR SUCCESS.
